Design should have the value to capture anyone's attention and it should be simplistic enough to take a place in your lifestyle forever

Rooms should enlighten your heart and nourish your senses.

Madhusudan Marble is a legacy of more than four decades founded in 1976 by Mr. Satyanarayan Kabra.

It is a group of exceptional quality, luxury and trust. Madhusudan offers complete atmosphere of perfect cooperation and coordination. The Company has premium quality of Indian and well as Italian Marble, Granites and Sandstones.

The group has revolutionised and evolved the marble industry as it was the first to Export and second to Import in 1989, in Rajasthan. It offers a large range of marbles, more than 200 colors from 30 countries with exceptional manufacturing and production capacities throughout India.

The group immensely believes in reimagining and redesigning on Natural Stones, so the finishing and production done with latest Italian technologies is only to make sure that the Natural stone you take gives you the sense of ultimate luxury.
